

## **CT-DL060**

### **INFORMATION:**

*The Digievel CT-DL060 is a highly professional digital inclinometer that enables user to find & check level, plumb & angles. Its an Ideal product for inspection and implementation of level, plumb, slopes and angles in metal fabrication & substructures, floors, roofing, staircase, conveyer belts, in building & industrial construction .*

<b>TECHNICAL SPECIFICATION:</b>	
Length	60 cm
Measurement Range	4x90 Degrees
Measurement Electronic Accuracy	+/- 0.1° (At 0° + 90°)
Measurement Electronic Accuracy	+/- 0.2 ° (At 1° - 89 °)
Measurement Accuracy for vials	+/- 0.5 mm /+/- 0,028 degrees
Operating Temperature	0 ° C to 40°C
Environmental	Splash & water resistant
Power Supply	3X1.5v AAA Batteries

**DIGILEVEL 60**
