

## CT-THMO

### **INFORMATION:**

***A compact dedicated environment meter that is accurate and feature packed. Typical applications are air conditioning in buildings, refrigeration, Warehousing, agriculture etc where it is important to measure or record min/max, relative humidity( RH%) and temperature in °C or °F.***

### **TECHNICAL SPECIFICATION:**

Temperature	-20.0°C~60°C/-4°F ~ 140°F (Resolution 0.1°C/°F)
Humidity:	0~100% RH
Basic Accuracy:	Humidity: ± 3.5%RH; Temperature:± 2°C or ± 3
Power Supply	9V Battery

**DIGITAL TEMPRATURE &  
HUMIDITY METER**
